

Classroom News

October 9-12

Miss Timas * btimas@ofcs.net * www.misstimas.weebly.com

* A peek at the Week *

Reading: We focused on using context clues to help us understand the meaning of unknown words. We also continued to review main idea and details.

Writing: We learned about persuasive (opinion) writing and how to support our opinion with details from text.

Grammar: We learned about multi-syllable words.

Math: We continued to explore multiplication strategies. We represented arrays using multiplication equations and repeated addition.

Science: We continued our unit on different forms of energy. This week we learned about thermal, mechanical (kinetic and potential energy), and electrical energy. Next week we will build our energy robots!

We enjoyed participating in Kids Love Musicals and learning about the music and story of The Jungle Book!

* Reminders *

- Sign & date your child's Bulldog Log daily

Oct. 18th - Picture Retake Day

Oct. 19th - Family Math Night 6:00-8:00

Oct. 24th & 25th - Fall AIR/ELA Testing

* A Note from Your Teacher: *

Our Halloween parade and class party will be on Tuesday, October 31st. To ensure the safety of all students, I need to let the office know who will be attending the class party. If you are interested in helping out at our Halloween party, please let me know as soon as possible, so I can make sure you are on the list of volunteers that I send to the office. Our 3 room parents will be organizing the party, but we can have 3 additional parent volunteers, if there is interest.

Don't forget to send in materials with your child to build our energy robots! We will begin building next week!
Have a wonderful weekend!

* October Birthdays *

17th - Ella

22nd - Mattea

23rd - Jordan

29th - Nick
