* A peek at the Week *

Reading: We focused on using context clues to determine the meaning of unknown words and using text features to help us understand what we read.

Writing: We finished up persuasive (opinion) writing and using details from text to support our opinion.

Grammar: We learned about plural nouns.

Math: We finished Unit 2 on Introduction to Multiplication. We used our understanding of multiplication to make scaled picture graphs and bar graphs. We also practiced solving one-step and two-step multiplication story problems.

Science: We finished sharing our energy robots and presentations with the class.

Social Studies: We began learning about the three branches of government: Legislative, Judicial, and Executive.

* A Note from Your Teacher: *

Please encourage your child to write in complete sentences on their Monday night reading homework. They should begin each sentence with a capital letter, end with punctuation, and write a complete thought (restate part of the question in their answer). Thank you for your support!

If you signed up to provide items for our Halloween party, please be sure to send those in on Monday or Tuesday. You should have received an email from Mrs. Curtis on Tuesday reminding you what you signed up for. Thank you!
