* A peek at the Week *

Reading: We focused on using context clues to help us understand the meaning of unknown words. We also focused on finding the main idea and supporting details in nonfiction text.

Writing: We learned about persuasive (opinion) writing and how to support our opinion with details from text.

Grammar: We learned about action, linking, and helping verbs. We also learned about verb tenses (past, present, future).

Math: We continued to explore multiplication strategies. We learned multiples of 3, 6, and 9 and multiples of 2, 4, and 8. We also looked at patterns and how multiples of 3, 6, and 9 relate and how multiples of 2, 4, and 8 relate.

Science: We began our next unit on different forms of energy. This week we learned what energy is. We learned about two forms of energy: Sound Energy and Light Energy.

* A Note from Your Teacher: *

RazKids, XtraMath, and FrontRow are all great websites that your child can use at home to practice reading, math facts, and math skills at their level. All 3 websites can count towards minutes on your child's Bulldog Log. XtraMath log-in information is coming home today. RazKids and FrontRow log-in information have already been sent home, but are also listed below if you can't find them:

Front Row: your child's first & last name
class code: timash

RazKids: teacher username: btimas1, find your child's name, password: timas

Have a wonderful weekend!
