* A peek at the Week *

Reading: We focused on asking and answering questions before, during, and after reading to demonstrate our understanding.

Writing: We continued to learn about the writing process. This week we learned how to write a first draft. We learned what we needed to include in our introduction, body, and conclusion paragraphs.

Word Work: We began word work groups. Spelling tests will begin next week - information about your child's skill group and their testing day, along with their word list, were sent home this week.

Math: We estimated and measured lengths in centimeters. We also practiced solving two-digit addition story problems with sums to 100.

Social Studies: We learned about features of maps: map title, map key, and compass rose.
