* A peek at the Week *

Reading: We learned how to use information from illustrations and the words in the text to demonstrate understanding of the text.

Writing: We continued to learn about the writing process. We focused on the first step: prewriting/brainstorming.

Spelling: We continued to explore some of our different word work choices. Word work groups will begin next week - word lists will be sent out throughout the week.

Math: We took our Math MAP Test. We focused on addition/subtraction facts to 20. We also learned some of our new workspaces. In Number Corner, we began exploring different models for representing multiplication.

* A Note from Your Teacher: *

Our Falls-Lenox family will be collecting donations for the communities affected by Hurricane Harvey. We have adopted Lovett Elementary School in Houston, Texas. PTA will be collecting donations of \$1 every morning until September 15th. Thank you for your help!

If your child is interested in joining Terrific Kids or Helping Hands, they should have come home with a permission slip for each. These need to be returned to school by September 15th, if they are planning on joining either club. I have extra copies if they need a new one. Thank you!
